

Section 15.49. Parking of Commercial Vehicles in Residential Areas.

(1) No commercial vehicle shall park in a residential area within the city limits of Clinton except in an enclosed building; unless the city issues a permit for such parking. A permit for parking outside an enclosed building may be granted if all of the following criteria are met:

(a) The vehicle is not located within the front yard, street side yard, or road right of way of a residence as defined by the City of Clinton Zoning Ordinance.

(b) The vehicle is not equipped with refrigeration equipment and can meet all standards of Section 16-5. Noises. of the Clinton City Code of 1987.

(c) The street providing access to the property is not restricted to truck traffic by a sign indicating No Trucks or No thru Trucks.

(d) The owner/operator has received approval from the Clinton City Council after a public hearing where all owners of real property within 100 feet, including those across the street have received written notification of such request.

(2) A “commercial” vehicle is defined as follows:

(a) A motor vehicle that has a combined gross vehicle weight rating of at least 26,001 pounds and includes as part of the combination a towed unit that has a gross vehicle weight rating of at least 10,000 pounds, or

(b) A vehicle designed to transport sixteen or more passengers, including the driver, or

(c) Class B – A single vehicle with a gross vehicle weight of 26,001 pounds or more and towing a vehicle of less than 10,000 pounds, or

(d) A vehicle transporting hazardous materials and is required to be placarded in accordance with 49 C.F.R. Part 172, Subpart F, or

(e) Any type vehicle with a refrigerated body that the refrigerated unit is operated by gasoline or diesel engine, regardless of the gross vehicle weight rating.

(3) “Park” is defined as the permitting of a vehicle to remain standing on a public highway, street, or on private property, while not in use.

Adopted this the 9th day of November, 2004.

City Clerk
