City of Clinton News Release

For immediate release:

Construction at City Hall

The City of Clinton will begin renovations at City Hall on Monday, August 16, 2010. The construction requires that the billing and collections drive-thru be closed from August 16 until approximately January 16. The project should not disrupt any other services. Customers can still pay their utility bills inside City Hall or over the phone with a credit card. For customers that need to use the after-hours drop box, it will still be accessible by parking and walking around the front of City Hall (facing Lisbon St.). Please use caution when using the after-hours drop box. The City apologizes for any inconvenience this may cause residents and/or business owners.

For more information regarding this news release, please contact the Assistant City Manager at 910-592-1961.
